

# SAVED TO SERVE

Arise, shine; for thy light is come, and the glory of the Lord is risen upon thee

## Our motivation

And he said unto them, Go ye into all the world, and preach the gospel to every creature. He that believes and is baptized shall be saved; but he that believes not shall be damned. And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues; They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover. So then after the Lord had spoken unto them, he was received up into heaven, and sat on the right hand of God. And they went forth, and preached every where, the Lord working with [them], and confirming the word with signs following. Amen.

**Mark 16:15-20**

## Our example

"Christ's method alone will give true success in reaching the people. The Saviour mingled with men as one who desired their good. He showed His sympathy for them, ministered to their needs, and won their confidence. Then He bade them, "Follow Me." **Ministry of Healing, 143**

## What's new...

The first 8 weeks of studies are already past but we are so happy to see the results of this time. Every student has the opportunity to be trained in practical things related to kitchen, house holding, and gardening. Also they could learn more about Bible study, Sanctuary message, God's healing principles, Self-supporting ministry, Anatomy and physiology and Health evangelism through Health expo, Health talks. Last week we started our massage classes. Everyone is so happy to practically apply the knowledge every week during mission time in Banya and Nova Zagora through visiting people, canvasser, Health Expo, Bible study. Pray for people we work with, because most of them are from a Turkish origin and often they can meet social prejudices. We would like them to feel that Heaven citizenship is freely given to all needy ones.

Every second Sabbath of the month we worship God in the near by church in Nova Zagora. The other Sabbaths we are happy to praise Lord in the Lifestyle Centre by songs, poems, Bible reading together with sanitarium visitors.

### Our gratitude for...

We praise the Lord for His blessings:

- He miraculously works in sanitarium guests lives improving their physical and spiritual health during their stay
- Great weather during Health Expo and outreach
- He provided for Lifestyle Center 3 tones of tasty apples at a convenient price and with a lot of fun (students help with collecting)
- He healed our suffering students and this way He taught them how to help others
- Chita arrived safely from England
- Serghei arrived safely to Ethiopia with a revival program during October month
- God's care for Agalo church, Ethiopia

### OUR INTERNATIONAL HEALTH EXPO

In the beginning, when God created men, its first need was to communicate with its Designer. What about today? People are suffering a lot today because of the less communication with GOD. He is the ONLY source of life, our best Doctor. Health needs remove the boundaries, making us to be in the same time a friend and a God's medical assistant for the people around the world.

On October 12<sup>th</sup>, 2014 our international LIGHT team, teachers and students, organized a health expo in Banya village, Nova Zagora. Considering as a big blessing for the people, the mayor offered his help, providing tables, chairs, and a free location.

Health message gives us the chance to understand and to be closer to people needs and challenges. We had more than 100 visitors. Half of them participated at the health talk "High blood pressure – a silent killer", by Dr Yordanov. All of us were amazed by people interest in health. All of them felt Jesus love, care and kindness through our service.

One experience was unforgettable. There is a Refugee Camp near to the Lifestyle Center. Recently, a group of teenagers from Afghanistan arrived here. They left their homes to have a better and safer life. A day before the event, one of our students met them not so far from the place where Health Expo was planned to be. When he invited them, he understood that none of them speaks Bulgarian, and he can't speak English. But, he said the only word he knows in English: Tomorrow! After that he showed them to the building and pointed on his watch "11", the time to come to Health Expo. So, next day they came.

All of them are Muslims, with good habits of life and very good results at the tests we had. They stayed with us until the end and helped with packing the materials and put them in the car. That evening we had a special meeting to know them better, and invited them for a walk. Sharing the gospel with these young boys, we saw that GOD has his people everywhere. At the next meeting, we prayed with them, and gave them The Great Controversy. Last Sabbath they came to Friday vespers in Lifestyle Center. We were so happy to see them. Their next trip is to England – we put the seed, some else will water!

During our ministry let's not forget about the first needs of people. This way, we can make new friends. Now the door is open for Health clubs in Banya (adults and children) and also we were invited to start a Health club in Nova Zagora. Next time we will share with you pictures and news from these events. Praise the LORD.

**Artiom Florea, student from Moldova**

## We need your prayers

The effectual fervent prayer of a righteous man availeth much. Elias was a man subject to like passions as we are, and he prayed earnestly that it might not rain: and it rained not on the earth by the space of three years and six months. And he prayed again, and the heaven gave rain, and the earth brought forth her fruit. **James 5:16-18**

- Serghei's missionary project in Ethiopia
- For guests we have at the four Health Clubs we started in Banya and Nova Zagora
- Funds for our missionary trip to Moldova
- Funds for building the heating system with mineral water in the Green House
- Professional dishwasher - 2500 euros
- Three of our present students can not cover their tuition for their stay and studies

## MEET OUR STUDENTS

We are happy to meet you with our students and to share their missionary vision after school.

Radka Petrova is a great instrument in God's hands. For many years she is a colporteur (canvasser) in Bulgaria bringing hope in many families by sharing the Gospel and God's healing principles. Her dream is to sell a hotel she has in Silistra, Bulgaria and with those money to open a Country life store and a treating room in Plovdiv, Bulgaria. Please pray for her dream to become reality.

In October Radka celebrated her anniversary with us. Happy birthday, dear Radche!!!

## FROM GOD'S FARMACY WOUND CREAM

**Wound cream** - a great cream for diabetes sores and other skin injuries. It helps in healing the wound and restores the injured tissues.

**Ingredients:** 1 cup vegetable olive oil (or other oil in case you do not have olive oil); 2 onions (medium size); 40 g bee wax (chop it in smaller pieces)

**Preparation:** Cut the onion. Place it in a pan, and add the olive oil. Put on fire and bake till the onion becomes softer and a light brown color. Turn off the fire and leave it overnight. Next day you strain the oil and put it back on fire adding the bee wax. Turn off the fire when the bee wax is totally melted. Put in a glass jar and keep in a cool dark place. Use it directly on the wound.
