

Stage 3 Shopping

В този раздел ще попаднете в множество ситуации при пазаруване: например купуване на хранителни продукти, хранене в ресторант, наемане на стая в хотел или избиране на дрехи в магазин. Ще усвоите някои не особено трудни, подходящи за темата реплики и как да се справяте в по-сложни ситуации, при които е необходимо да погледете оплакване или да замените една стока с друга.

От време на време ще откривате съществени разлики между британския (UK) и американския (US) английски. Най-основните са застъпени в настоящата система, но имайте предвид, че езикът постоянно се развива и променя! Най-важното е да се опитвате да избягвате недоразуменията. За думите, в чието значение не сте напълно сигурни, винаги използвайте *Word Bank* (в *Resource Book*) или подходящ речник.
